## DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY Transportation Engineer 3 (Engineering) Bureau of Engineering and Construction

**PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!**

Open To: The Public (Refer to "Eligibility" section below)  
Location: Office of Engineering, Division of Highway Design – Newington Office  
Job Posting No.: 112530  
Hours: 40 hours per week  
Salary: Pay Grade FS-27a, \$81,531-\$116,893 annually plus full State of Connecticut benefits  
Closing Date: February 24, 2016, 4:00 p.m.

There are current and anticipated Transportation Engineer 3 (Engineering) position vacancies in the Division of Highway Design in the Bureau of Engineering and Construction. These positions exist in the State Highway Design Unit, the State Design-Consultant Design Unit and in the Project Development Unit.

**Position Description:** These positions serve as either a lead engineer or as an advanced working level engineer involved in performing complex engineering or related tasks in the design of highways or other transportation projects. Duties include, but are not limited to, leading highway design engineers or consulting engineers in the preparation of plans, specifications and estimates for transportation improvement projects; conducting field and office investigations of engineering, technical or other problems; preparing technical reports and justifying their recommendations; performing complex design work and technical review of plans, specifications and estimates prepared by staff and consultants; performing advanced engineering functions required in reviewing, revising and initiating preliminary concepts for projects.

**Preferred Knowledge, Skills and Abilities:** Considerable knowledge of the principles and practices of transportation engineering including highway design and traffic engineering; considerable creative ability in highway and traffic engineering including the ability to analyze problems and recommend solutions; knowledge of administrative and financial procedures related to the project development process; considerable oral and written communication skills including public speaking; ability to work as part of a team.

Successful candidates for these positions must be available to attend public meetings outside of normal working hours, when necessary.

**Eligibility:** Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current examination list promulgated by the Department of Administrative Services. State employees who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

**Application Instructions:** Submit a cover letter which states your interest and suitability for the position(s), resume, and [application \(State of Connecticut Application for Examination of Employment Form CT-HR-12\)](#). State employees must include copies of last two service ratings received. Send to:

Ms. Denise Maura  
DOT Bureau of Engineering and Construction, Room 3314  
2800 Berlin Turnpike, Newington, CT 06131-7546  
Denise.Maura@ct.gov

Application forms are available at: [http://das.ct.gov/HR/Forms/CT-HR-12\\_Application.pdf](http://das.ct.gov/HR/Forms/CT-HR-12_Application.pdf). Interviews may be limited to candidates whose experience and training most closely meet the requirements of the positions. The results of this posting may be used to fill future Transportation Engineer 3 (E) vacancies that occur in the Office of Engineering – Division of Highway Design, in the next twelve (12) months.

### AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER

The State of Connecticut is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
